SUBSTANCE OF THE INTERVIEW

Commissioner for Patents  
P.O. Box 1450

Sir:

This Substance of the Interview submission is in response to the Interview Summary mailed August 2, 2004 for the above identified patent application. This Substance of the Interview is being filed within one month of the mailing date of the Interview Summary.

A telephonic interview was conducted between SPRE Krista M. Zele and Applicant's representative, Robert Beyers, on July 29, 2004.

The file was ordered to confirm proper remailing of the office action (paper #7), originally mailed 11/28/03. A review of the file finds that the original office action is still of record and that the file jacket was updated to reflect a new mailing date of the office action on 4/6/04. A review of the contents of the file jacket finds that a new coversheet (PTO-90C) was generated with a new mailing date of 4/6/04. The TC technical support staff failed to clearly indicate on the new PTO-90C and/or on the file jacket that the period for response was restarted from the new mailing date of 4/6/04. However, SPRE Zele informed Mr. Beyers that she consulted with Legal Advisor Magdalen Greenleaf and was advised that the PTOL-326 refers to the mail date as that being provided on the cover sheet, and therefore it would be proper to clarify the record. This interview summary is recorded to confirm that the period for response to the office action (paper #7) was reset to run from the new 4/6/04 mailing date of the office action. Mr. Beyers also stated that a new power of attorney and change of address were filed in March ,2004. SPRE Zele informed Mr. Beyers that this paperwork was not of record in the file; although a new revocation and power of attorney filed 7/7/04 was recently matched to the file.

Since the Substance of Interview is timely filed within one month of the July 29, 2004 mailing date of the Interview Summary, Applicants believe there is no fee due at this time. However, if there is a fee due, please charge the required fee to Morgan, Lewis & Bockius

LLP Deposit Account No. 50-0310 (order no. 061726-5000-US). A copy of this sheet is enclosed for such purpose.
